Online Rate Contract System (e-store) software development and subsequent maintenance

1. INTRODUCTION

Association of State Road Transport Undertakings (ASRTU) represents 62 Public Sector Bus Transport Organizations (STUs) in India for their common aims & objectives related to public bus transport system. Its member STUs own nearly 1.5 lakh buses and purchase spares worth about Rs.2500 crores a year. ASRTU also invites National Competitive Bids and concludes Rate Contracts (RCs) for automobile spares and accessories in common use with all the STUs. **ASRTU's policy is to encourage quality and competition, hence inviting tenders from OE suppliers exclusively.**

AIM OF THE DOCUMENT

The purpose of this document is to short-list bidders who are interested and potential to develop such software's. The present requirement is to develop Online Rate Contract System (E-Store) and subsequent maintenance of the software.

1.2 EOI ISSUING AUTHORITY

This Expression of Interest (Eoi) is issued by the Association of State Road Transport Undertakings (ASRTU), intended to short-list a firm. ASRTU's decision with regard to the short-listing of bidders through this Eoi shall be final and the ASRTU reserves the right to reject any or all the bids without assigning any reason.

Name of officer	:	Secretary, Standing Committee (Supplies & Contracts)
Name of Section	:	Rate Contract
Postal Address	:	ASRTU Bhawan, Plot No. 4-A, PSP Block, Pocket-14, Sector-8, Dwarka New Delhi-110077 (INDIA)

Prevailing System

At Present, ASRTU invites National Competitive Bids and concludes Rate Contracts (RCs) for automobile spares and accessories in common use with all the STUs. The complete process is digitized and software based on Oracle technology which is being used for analyzing the data, taking various reports for various meetings and finally publishing the Rate Contract.

Proposed System

The basic idea for new software is to have an online software module and which can be accessed by the member SRTUs and facilitate for procurement requirement for Rate Contract Items online. After authentication SRTU's login into the software and can see the list of Items on ASRTU Rate Contracts by using different search criteria. The system will show vendor's rates of an item and subsequently SRTUs may generate Purchase Order. The every activity of SRTU's in the portal may be recorded for the ASRTU official use.

Scope of the work

- Software must provide the user Friendly environment to SRTU's where user can easily see the Rate contract schedule and can generate the Purchase Order which can be shared to all the stakeholders i.e. ASRTU, Vendors and STUs.
- Software is to be intelligent and automatically take the data from our Oracle database need to design a framework which can communicate the oracle database and online Portal.
- The software must have admin console and it must facilitate different dashboards for different users for all the stakeholders.
- Only authentic users can login to the software.
- The firm has to provide web-security certificates.
- The software will generate different kind of MIS reports as finalized by the competent authority
- The software must provide the audit trail, so that, every activities of user can be tracked and monitored for future action.
- It must also provide the framework for third party advertisement.
- The software should also provide vendor rating system. So the vendors can be rated automatically on specified parameters without human intervention.
- The software must be scalable and compatible to with ASRTU existing System.
- Training is to be provided to ASRTU staff about the functioning of software. It also includes the proper software code sharing, training in detail to host or update the online portal in future.

The brief Modules of the proposed online Rate Contract System:-

- 1) Admin (for use by ASRTU)
- 2) Vendor management
- 3) User Management (while adding user an email will be sent to respective user with login link, username & password)
- 4) Product Management
- 5) PO management
- 6) Price conditions (condition on price or total number of product purchased, also this will be in percentage or fixed discount)
- 7) Develop frame work to automatically take the Rate contract data from our local Oracle server to web server and formulate the mechanism.
- 8) Further modifications and additions may also require.
- 9) The warranty of the software.
- 10) The Firm has to Host and maintain the software after the warranty.

Selection Criteria

The firm has to submit the proposal along with attached Proforma A, the selected firms will be called for demonstration and technical screening and subsequently asked to bid.

1. The prime bidder should be a registered company under Indian Companies Act or consortium of companies (Not exceeding two members including prime bidder).
2. The firm should at least 2 similar project experience.
3. The firm should have an average annual financial turnover of at least 1 crores in last 3 financial years.

Annexure-I

Proforma ‘A’

Please furnish the particulars with proof.

S.No.	Particulars	
1.	Name of the Company	
2.	Registered Address with Phone, Fax & Email id	
3.	Contact person with Name, Designation, Mobile No. & email Id details.	
4.	Year of Incorporation with Certificate details	
5.	Name, address and details of consortium if any	
6.	Experience in similar projects (furnish evidence)	

7.	Name of the customers	
8.	Details of qualified professionals for implementation of the solutions (furnish evidence)	
11.	Turnover of preceding 3 years, furnish yearwise	
12	Details of Present working Technologies	
12.	Whether having ISO/ Six Sigma or any certificate, furnish copy	
16.	Any other additional requirement related to the above mentioned project.	
17.	Remarks if any	

The information mentioned herein above proforma is true and correct and we hereby undertake to accept all the obligations and responsibilities of Eol.

Place : Signature of authorized* Signatory with stamp

Date : Name of the authorized person of the Company
